If you get a red x, you will have to click on the text

at the top of your web page that says the following:

This website wants to run the following add-on:

'Windows Media Player Extension' from 'Microsoft

Corporation'. If you trust the website and the add-on

and want to allow it to run, click here...

Then click on Run Add-on on All Websites

To watch the video in full screen, just right click

on the video and click on Zoom then click full screen
